JOSIP KUBAT

Video Editor · Motion & 3D · Content Creator

Miami, FL | josipkubat@gmail.com | oktoproductions.com | @oktoproductions

OKTO PRODUCTIONS

FOUNDER & LEAD EDITOR

PROFILE

Video editor and content creator with hands-on experience across short-form social content, motion graphics, 3D and full post-production pipelines (Premiere Pro, After Effects, Final Cut, Blender, Cinema 4D). I own projects end to end: shooting, editing, color, sound and delivery, with a background in team leadership, client communication and fast-paced production.

EXPERIENCE

Founder / Lead Video Editor
OKTO Productions · Miami

- Run a full-service video, 3D and motion graphics studio, handling clients from first call through final delivery
- **Produced a Let Them Have Cake video that passed 20,000 views**
- Recurring brand content for Let Them Have Cake, including a segment featured on NBC6
- 3D logo reveals and motion graphics for brands including IAM and MPC
- Brand and commercial videos for Buggies, BXLD, Chelle's Conch, Krona and Let Them Have Cake
- Multi-camera edits for live performances and events: Social Monday's podcast, live performance, music video and concert footage
- Covered a private event for Tiffany & Co.
- Frame-by-frame illustrated character animation ("Oktoon Soundguy") and an architectural 3D pre-launch animation (Precedent)

Content Creator / Video Editor — Jan 2025
Zeke's Music Exchange

- Plan, shoot and edit short- and long-form video for social and marketing
- Color correction, sound mixing and motion graphics for polished final cuts

Graphic Designer — Dec 2019
Hera Cases

- Marketing and product graphics in Photoshop, Illustrator and InDesign

Property Manager — Mar 2020
Precedent Management

- Day-to-day operations, tenant communication and vendor coordination

Field Asset Service Coordinator — Jun 2015
PK Management Group

- Coordinated field service schedules and asset status across multiple sites

Administrative Assistant — Jan 2014
Re/Max United Realty

- Office operations, client communication and data entry
